Get connected with design and activate the design movement

The Friends of HKDC (FOHKDC) Programme of Hong Kong Design Centre unites those who are passionate about and believe in the value of design. Like us, they aspire to see Hong Kong grow into a centre of design excellence in Asia and beyond.

Open to organisations, individuals and students from tertiary level and above, FOHKDC offers opportunities to foster knowledge sharing, networking and collaboration among design lovers, learners and practitioners.

Here is how you can join FOHKDC:
