Recruitment of Insurance Responsible Officer

Key Responsibilities:

The successful candidate should have a proven track record in insurance business management with demonstrated experience in executing strategies for insurance service growth. The candidate must be capable of delivering results in the organization by driving insurance operational excellence, optimizing cost structures, identifying business growth opportunities and working closely with internal service units and external insurance partners to achieve the goals of the Association's insurance services. He/she will be experienced in directing insurance-related functions including member motor insurance, travel insurance, sales and marketing with the ability to attract, motivate and develop high performing teams. He/she should demonstrate strong execution capabilities, whilst also possessing good judgment, an understanding of risk and acting on data rather than intuition. He/she will have a proven ability to complete tasks arising from insurance operational plans and directives from senior management.

Requirements:

He/she should hold relevant tertiary qualifications; have demonstrated success in insurance business management and team leadership, show strong insurance and/or club association knowledge and skills and be able to demonstrate achievement at a management level. He/she should report to senior management and follow the decisions and directions made by the General Committee and ensure that the tasks are executed in good order.

We are open to strong professionals with exposure to member insurance services, club associations or related financial institutions. Holding relevant licences from the Insurance Authority (IA) or acting as a Responsible Officer, being familiar with general insurance, as well as managing multiple insurance products will be highly regarded.

Operating Network:

The successful candidate will report directly to the senior management and will work in close co-operation with the Department managers. He/she will have internal contacts with the association's sub-committees; local contacts with insurance companies and business partners.

We offer an excellent career prospect and an attractive remuneration package to the right candidate. Interested parties, please send a detailed resume with the salary expected.

All personal data collected will be treated in strict confidence and used solely for recruitment purposes.
